ENG 110: College Writing

Larkspur Community College - English - Instructor: Prof. Imani Brightwater

1. Grading

Grades are weighted as follows: four essays at 15% each (60% in total), peer review participation 10%, and the end-of-term portfolio 30%.

2. Late Work

Each student has one 72-hour grace extension per semester on any essay, with no penalty and no need to ask. After the grace extension is used, late essays lose 5% per day for up to 5 days, then receive a zero.
